“Technical Concepts”
(on 06/4/2019)

Presented By
Mr. Prakash Bamaniya from IndiaNic Ltd.
Venue:-
N.J Sonecha Management & Technical Institute

Dear Sir,

On date **6th April 2019** we invited **Mr. Prakash Bamaniya** as expert from **IndiaNic Ltd.**

He has started his session from by sharing his life journey as MCA students to as an employee of MNC.

During that he talked about his number of failures and rejection during interview, his actual interest area on technology but technology updated every day and market need something new every day thats why necessary to learn new things every single day.

Mr. Prakash has also provided guidance of how to struggle in life to getting job after completion of study?, how to face the interview? How to motivate yourself?, how to learn additional new things from market which are related to self growth as well as for carrier.

He has also guided the students from where they will get practical knowledge of languages and to face the interview after getting lots of failure still have to stick your goal and dream.

He had also talked about how our manners, etiquettes, self disciplines, body language are important in professional industry. All students of MCA sem 4th and 6th have attended his motivating session.
