## MESSAGE FROM THE DESK OF DIRECTOR

**Prof. (Dr.) Krishna C. Dwivedi**  
M.Com., M.B.A., Ph.D (Finance)  
Director  
15 Years Teaching Exp.

It is my pleasure to welcome you to Narandas Jethalal Sonecha Management and Technical Institute (NJSMTI—MBA and MCA).

The Indian corporate sector has been swept by a force of change led by remarkable growth and global integration. This has led managers to adapt to the new environment by re-inventing their organizations and practices. On the other side, the Indian education fraternity has struggled to respond to this demand of the corporate sector. Thus time has arrived to create a new system of education. A system that is 'for today' and educates not just for a degree, but for a career and for life.

NJSMTI has commenced its journey 10 years ago providing invaluable contribution to the field of education and management learning. In entire Gujarat, NJSMTI enjoys strategic and financial autonomy that very few colleges have managed to achieve. Our main focus is quality education which is reflected in our unique course curriculum, faculty development, research initiatives and design of programs.

NJSMTI professional programs will prepare you to outsmart the competition, excel the fast paced global economy, solve problems creativity and build consensus across diverse groups.

I invite you to be a part of NJSMTI.
